All Student-Athletes, Head Coaches, Team Staff, and Officials must be registered prior to any AAU College Hockey Sanctioned Event is Conducted.

AAU College Hockey Registration Types & Information

1. **Student-Athletes** - Any Student Being Rostered for Competition in 2023-2024 - No Charge
2. **Head Coaches** - The Head Coach for a specific AAU College Hockey Member Team - \$55 or \$75 (Includes Background Check)
3. **Team Staff** - This includes any Assistant Coaches, Associate Coaches, Medical Staff, Trainers, Managers, and Team Executives/Administrators - \$35
4. **Officials** - On-ice Referees - \$35 (Includes AAU Patch)

There are four types of Registration for AAU College Hockey, all of which have the same beginning steps for both returning members and new members.

First, Student-Athletes, Head Coaches, and Team Staff must select their appropriate Conference and Division. Then, they will be prompted to either log in to the RSportz platform (Returning Members) or Create a New Account (New Members). From there Student-Athletes will embark on the registration process that will collect all general demographic information and their hockey profile information, which will all get forwarded directly to GameSheets.

Head Coaches and Team Staff will also complete the general demographic information, select their member programs, and a few other additional details, culminating in their being added to the GameSheet platform under their appropriate member program. There are additional steps for the Team Staff and Officials, including membership fees of \$35, and for Head Coaches, a membership fee option of \$55 for one year or \$75 for two years, including the federally mandated background check.

Following submission, Student-Athletes, Team Staff, and Officials will all receive confirmation emails and receipts, which will also provide your official AAU Membership Number for 2023-2024. Head Coaches will receive a pending email, following the background check, their subsequent confirmation email, with their Membership Number for 2023-2024.

Important Reminders and Helpful Tips

1. Read the Directions Carefully
2. It is strongly recommended that Student-Athletes Register via a laptop or computer; most issues occur when completed on cell phones
3. Coaches can verify successful Student-Athlete Registration by monitoring the roster via the GameSheet Admin Dashboard (AAU Website still being overhauled for 23-24)
