The Florida Atlantic University Ice Hockey Club is entering it's 25th Anniversary Season! The Club fields two teams (DII and DIII) of players and is comprised of FAU student athletes from around the US and Canada. Both teams compete in the College Hockey South Conference *(CollegeHockeySouth.com)* of the American Collegiate Hockey Association (*achahockey.org*). The Owls take on well known universities like Alabama, Auburn, Delaware, Florida, Georgia, Miami, Ole Miss, and South Carolina to name a few. Despite being a "smaller" non-traditional hockey school, FAU has enjoyed great success over the past 5 years, culminating with a **2024-2025 the AAU College Hockey D2 National Championship and an appearance in the ACHA National Tournament in the 2025-2026 season.**

In the community FAU players have proudly served, hosted and volunteered with organizations such as "Chariots on Ice" sled hockey, the "Police Athletic League", "The Joe DiMaggio Children's Hospital, and fund raising efforts for Breast Cancer Research to name a few.

Since FAU Hockey is a "Club" team, the university provides limited funding. The Club is supported almost entirely by volunteers, sponsors, and the student-athletes themselves, who fund over 90% of all expenses. The expenses of uniforms, equipment, ice time, travel, referees, etc. are funded by player dues of approximately **$3,500 per player!**

Our Club is actively seeking to reduce student-athlete costs by raising money through donations, sponsorships, community support, and other fund-raising efforts. Your generous assistance will make it possible for our athletes to participate in the game they love and represent FAU and the South Florida community in the national spotlight. If you would like to discuss the possibilities further, please contact **me at jlinhares2024@fau.edu** or call **(609) 425-2211** to set up a phone or in-person meeting.
