

ICE HOCKEY CLUB

Dear Friend/Neighbor of FAU,

Did you know that Florida Atlantic University has an Ice Hockey Club? The team is comprised of FAU student-athletes of various skill levels from all over the United States and is part of the American Collegiate Hockey Association (ACHA). Practice begins the very first day of classes in August in preparation for the 25+ multi-league games, the regional playoffs, and the national tournament, where they compete with the highest levels of competition.

Since it is a "club" team, the University provides very limited funding. The student athletes have to cover all expenses related to team operations, uniforms, equipment, rink time, travel, referees, etc., approximately \$3,000 per player. Frankly, the team cannot exist without the financial backing of the local community. We seek to reduce the individuals' costs by raising money through donations, sponsorships, community support and other fundraising efforts.

The club is a 501(c)(3) nonprofit organization supported entirely by volunteers, friends, and our players themselves. We ask that you consider being a donor / sponsor for your home team. Your assistance will make it possible for the athletes to participate in the game they love and represent FAU and the Boca Raton Community in the national spotlight.

If you are able to donate towards our efforts, we will promptly forward you a thank you letter and team photo thanking you for your support, as well as all the other items included in the various sponsorship packages available.

Thank you so much for considering this great partnership opportunity. It is the help of supporters like you that enables the student-athletes to continue playing the sport they love.

Feel free to reach out to me directly with your questions and to request a complimentary pair of tickets to our next home game.

Sincerely,

Gary Kaufman, General Manager
Florida Atlantic University Hockey Club
